THIRD TERM ENGLISH EXAM

Time : 02H

I. Reading compréhension : 05/05

Read the text carefully then do the activities:

A charitable organization is a type of non-profit organization (NPO). **Its** focus is centered on goals of a general humanitarian nature (e.g. charitable, educational, religious, or other activities serving the public interest or common good).

A charity, or charitable organization, in England and Wales is a particular type of voluntary organization which set up for charitable, social, humanitarian or other purposes. It is not a part of any governing department, local authority or other statutory body. **All** the purposes of the organization must be charitable like advancing education and health, saving lives, and defending human rights and conflict resolution.

The Algerian community does not seem to have too many little charitable organizations; however, citizens tend to help each other at time of crisis and disasters. **That** solidarity was inherited between Algerian from a long time ago, and **it** becomes part of the Algerian attitude character.

Every year, billions of dinars are spent to help the poor people, educate orphans, marry man and women, build mosques and homes, and help the ill to heal. All these activities characterized Algerians by hospitality and help which strengthen social relations and protect the society from collapsing.
